Dear Colleagues,

The [faculty prioritization process](#) outlined in the College Planning Council (CPC) Handbook and approved by the Academic Senate and CPC resulted in a list of [thirty-four \(34\) prioritized positions](#) when the Faculty Prioritization Committee met this fall. We have reviewed the information provided and analyzed several factors to determine which positions to initially approve and commence recruitment.

I am pleased to announce that we will begin the recruitment process for twelve (12) new regular full-time faculty members. The initial positions identified for recruitment are:

1. Sociology Instructor – position #1
2. Administration of Justice Instructor (Administration of Justice Program)
3. Distance Education and Instructional Design Coordinator
4. Physical Therapy Instructor
5. Communication Studies Instructor
6. Biology Instructor
7. Spanish Instructor
8. General Counselor – position #1
9. Political Science Instructor
10. Sociology Instructor – position #2
11. Physics/Engineering Instructor
12. Architecture Instructor

The college chose not to move forward to recruit the English as a Second Language Non-Credit Instructor position (prioritized in 8th place) due to significant losses in headcounts and enrollments.

I would like to thank everyone involved in the faculty prioritization process. Your work is deeply appreciated. Thank you!

Sincerely,

Joel
