Articulation Process

1. Student successfully completes articulated course at high school or ROP.
2. Student receives and completes:
 _ College of the Desert Request for Articulated Course Credit Form
3. Student completes College of the Desert online Admission Application
4. Student enrolls at College of the Desert
5. Student requests official transcript from high school.
6. Student submits **Request for Articulated Course Credit Form** and **Official High School transcript** to College of the Desert CTE Transitions Office to have articulated high school credit posted to college transcript.
7. Credit will be posted to the transcript by the end of the semester as Credit by Exam.

Students must be enrolled at COD in order to receive college credit for an articulated course.

Successful completion of the course if specifically defined in the Articulation agreement for the course. Students must pass the approved exam with a "B" or higher in order to receive college credit.

For any questions regarding the articulation process, please contact the CTE Transitions Office at 760.565.4832 or pchase@collegeofthedesert.edu.
