Student Learning Outcomes

	Upon satisfactory completion of this course, students will be able to:
Outcome 1	Demonstrate organization and staffing on emergency incidents.
Outcome 2	Identify the planning process and action plan elements for emergency incidents.

Methods of Instruction

Method	Please provide a description or examples of how each instructional method will be used in this course.
Activity	activity
Role Playing	role playing
Observation	observation
Lecture	lecture
Demonstration, Repetition/Practice	demonstration

Methods of Evaluation

Method	Please provide a description or examples of how each evaluation method will be used in this course.	Type of Assignment
Presentations/student demonstration observations	presentations	In Class Only
Student participation/contribution	student participation	In and Out of Class
Tests/Quizzes/Examinations	tests	In Class Only
Group activity participation/observation	group activity	In Class Only

Assignments

Other In-class Assignments

1. Classroom reading and writing assignments
2. Classroom participation
3. Role playing
4. Group discussions

Other Out-of-class Assignments

1. Assigned reading from student manual equivalent to two hours per one-hour lecture.

Grade Methods

Letter Grade Only
