1. Call to Order

Called to order at 1:00pm.

2. Action Items

None

3. Information/Discussion Items

3.1 Classes will be online in the Fall.

- We are putting a hold on some projects but pushing others that Pillar 3 is a part of, such as the mobile app, the Vision Resource Center, and the Chat Box.
- Ideas are welcome to help improve the virtual situation. There is work being done to consolidate technical help, a "one-stop" shop for staff/faculty to get help with their issues.

3.2 Support through this time:

- TASC is getting a lot more traffic on their webpage. All of TASC's services are now online, even their staff.
- The library has services online as well; librarians are available to virtually assist students.

- The counseling center have been providing students with emotional support and financial support services (emergency funds for food, rent, etc.).
Christine Schaefer: The Counseling Center has been using Cranium Cafe which has some issues to work out but there are advantages, such as privacy.

3.3 Faculty Advising

- This is project we still want to work on but for now, we are in the planning stages. Summer is a good time to make progress so that we can roll it out in the near future.

Florante: Cranium Café may be a good platform for that.

Courtney: Maybe we can have a few counselors try it out over the summer.

- ### 3.4 Big thank you for all your efforts through this difficult time. Helping our students is why we're here and you all have been extremely patient and flexible as we do our best to meet their needs.
