

The COD Public Safety Department is issuing this Clery Act timely warning to inform the campus community of a reported incident that occurred last week at the Indio campus.

On 9/10/2025 at around 12:20 PM, students at the Indio campus reported being threatened by an unhoused female who was observed with a screwdriver in the first-floor female restroom of Building "B." The students left the restroom without harm and reported the incident to Public Safety Officers. Public Safety Officers responded promptly after receiving the information from the students; however, upon arrival, the individual was already leaving the Indio campus property. Officers made contact with her as she departed and directed her not to return to campus or she would be arrested by Indio PD.

The COD Public Safety Department is committed to maintaining a safe and secure environment for all students, staff and visitors. Below are some safety reminders to remember:

Safety Reminders:

- Always remain aware of your surroundings.
- Report suspicious behavior or individuals immediately to COD Public Safety at 760-341-2111.
- In case of emergency, dial 911.
- Do not engage with individuals who appear threatening. Move to a safe area and notify authorities.

The COD Public Safety Department will continue to monitor the situation and update the community as needed.

Respectfully,

Dr. Tim T. Nakamura (he/his)

Director, Public Safety Department & Emergency Preparedness
