

Some questions came up at the non-mandatory job walk. Following are the questions and short answers:

1. Is catering for college events exclusively with the Café?

At this time, the contractor for the Café has first right of refusal. If they are unable to provide the catering, the college can hire an outside caterer. This is a negotiable point for the contract.

2. A question was asked again regarding gross sales, revenue, etc.

Unfortunately, the District does not have access to this information. We estimate, based on commission statements, that revenues last year were approximately \$500,000. We have no data on catering services.

3. Is it possible to make changes to the design of the Café?

Yes, the college is open to new, innovative ideas.

4. What are the numbers in relation to day and night students?

Fall 2014:

	Both Day and Evening	Day Only	Evening Only	Unknown
Time of Day Attended	3879	4578	2041	284
	36%	42%	19%	3%

5. Who is responsible for the cleanup of the Cafe?

The contractor for the café is responsible for the cleaning of the entire café, including kitchen and dining areas. Once a year the College custodial staff will do a deep cleaning of the floor.

6. What are the numbers for transfer students?

We are unable to provide any information at this time.
