

ASCOD Smoking Survey Fall 2017

Dr. Daniel Martinez
Director, Institutional Research

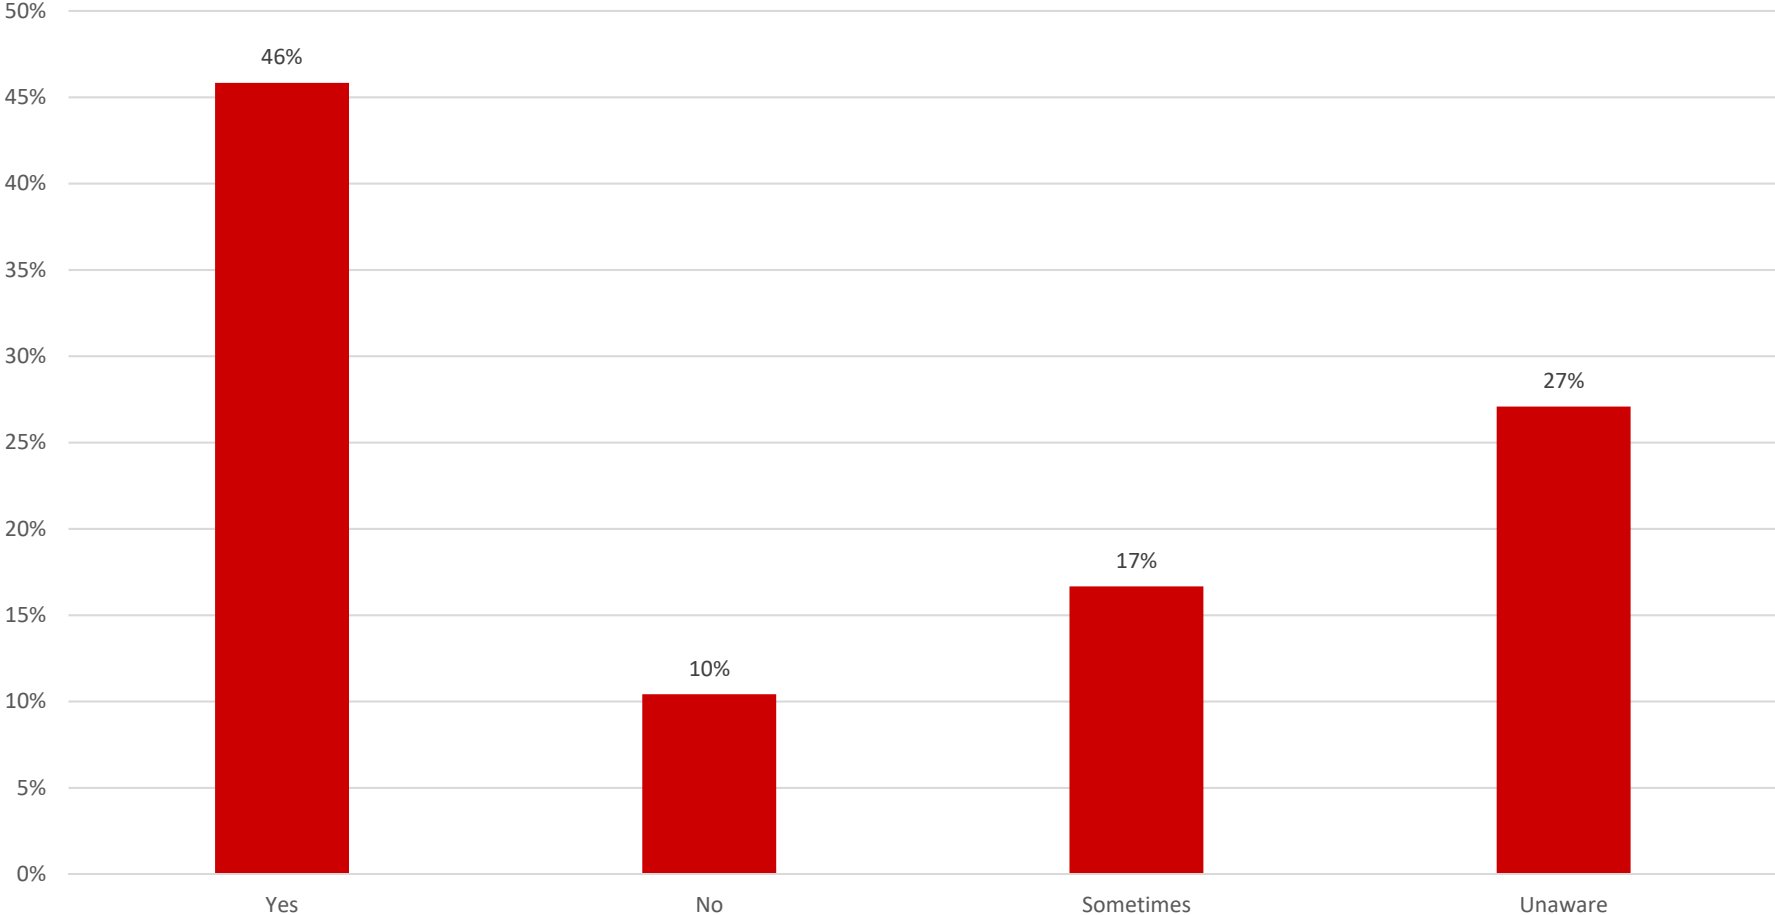

Do you smoke?

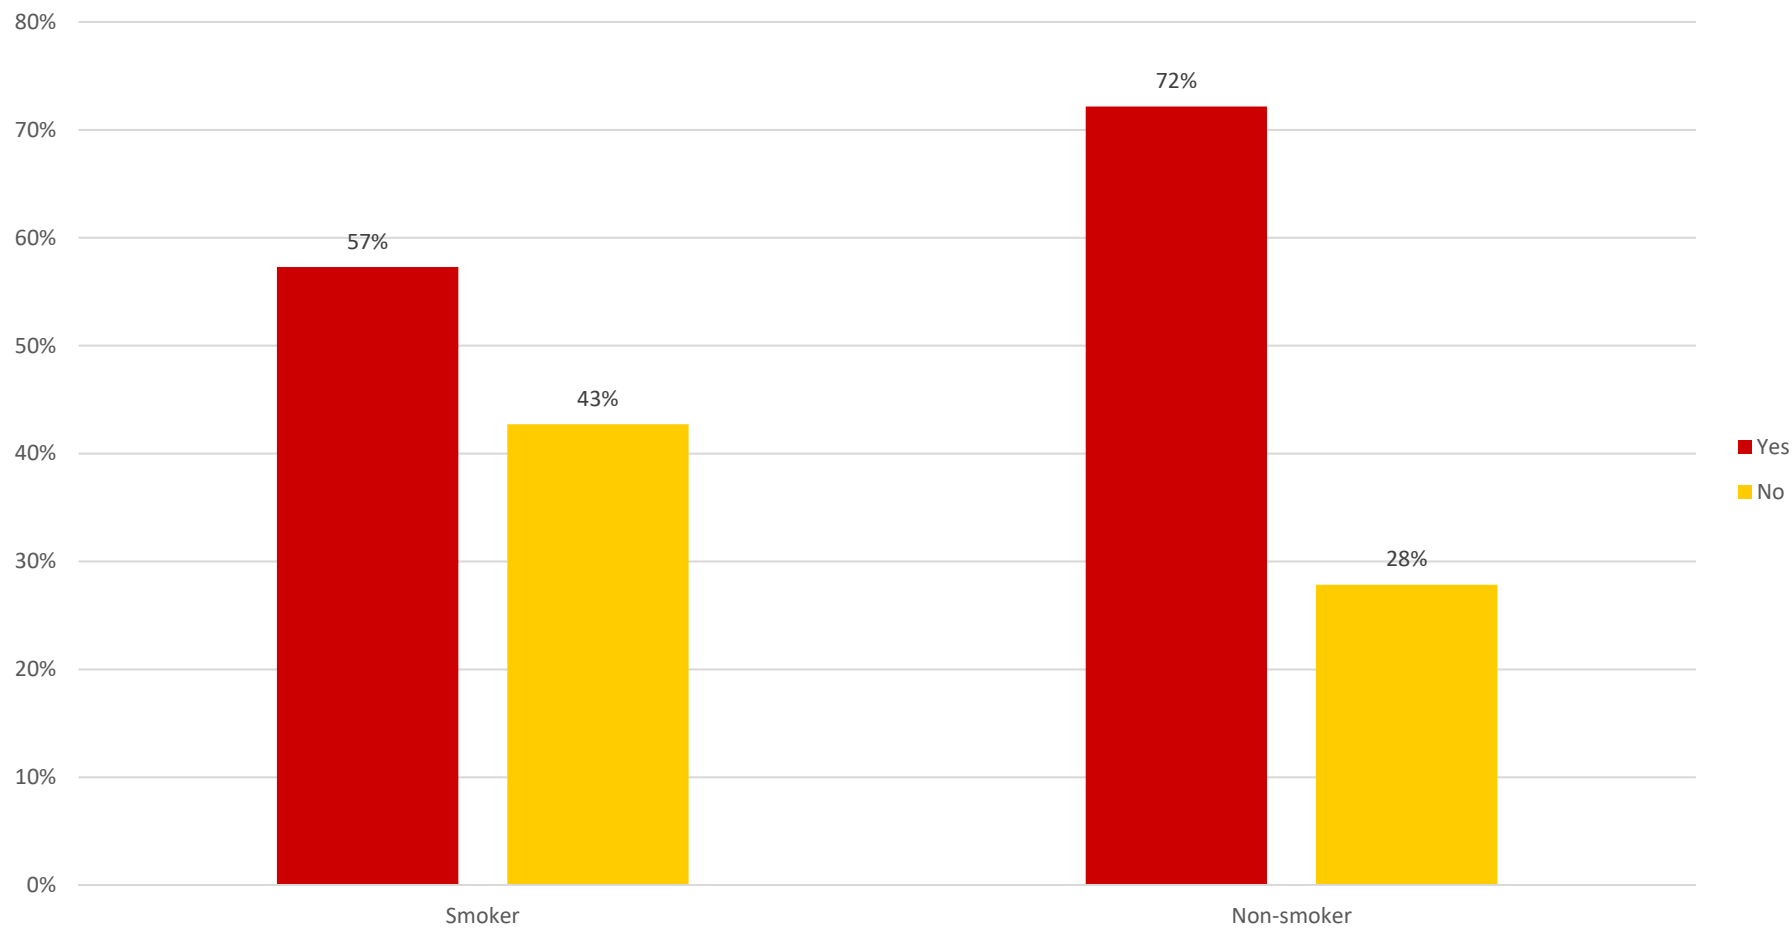

If you smoke, do you smoke on campus?

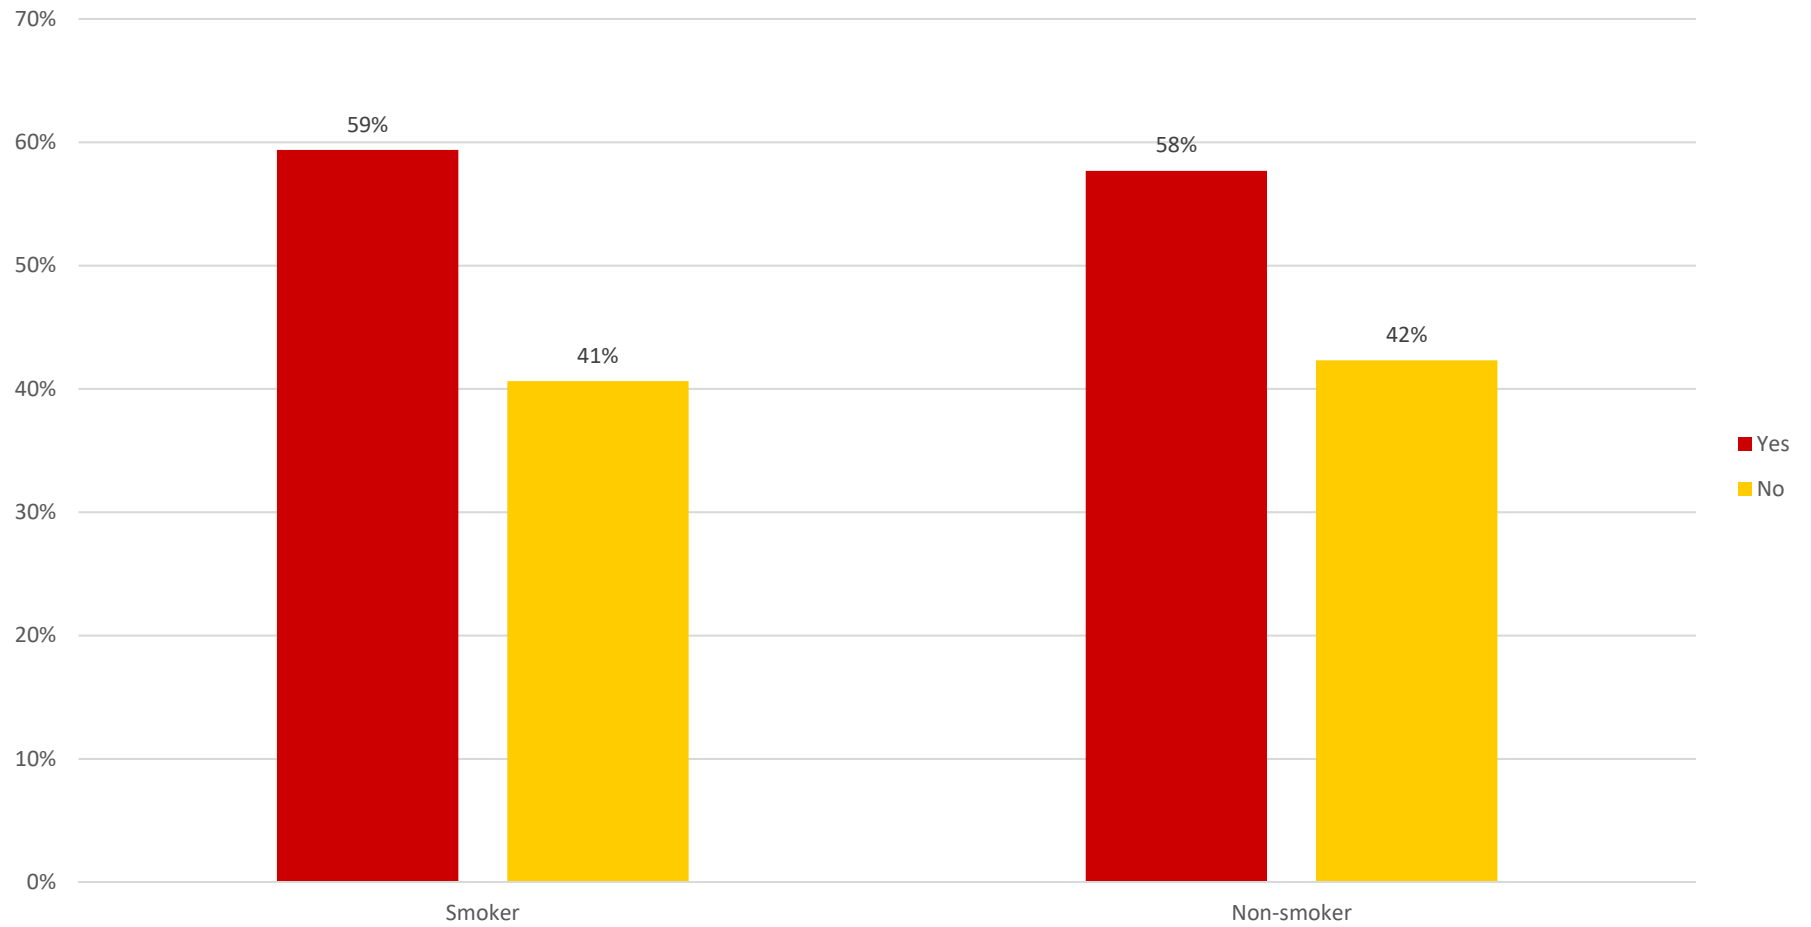

If you smoke, do you smoke in designated areas?

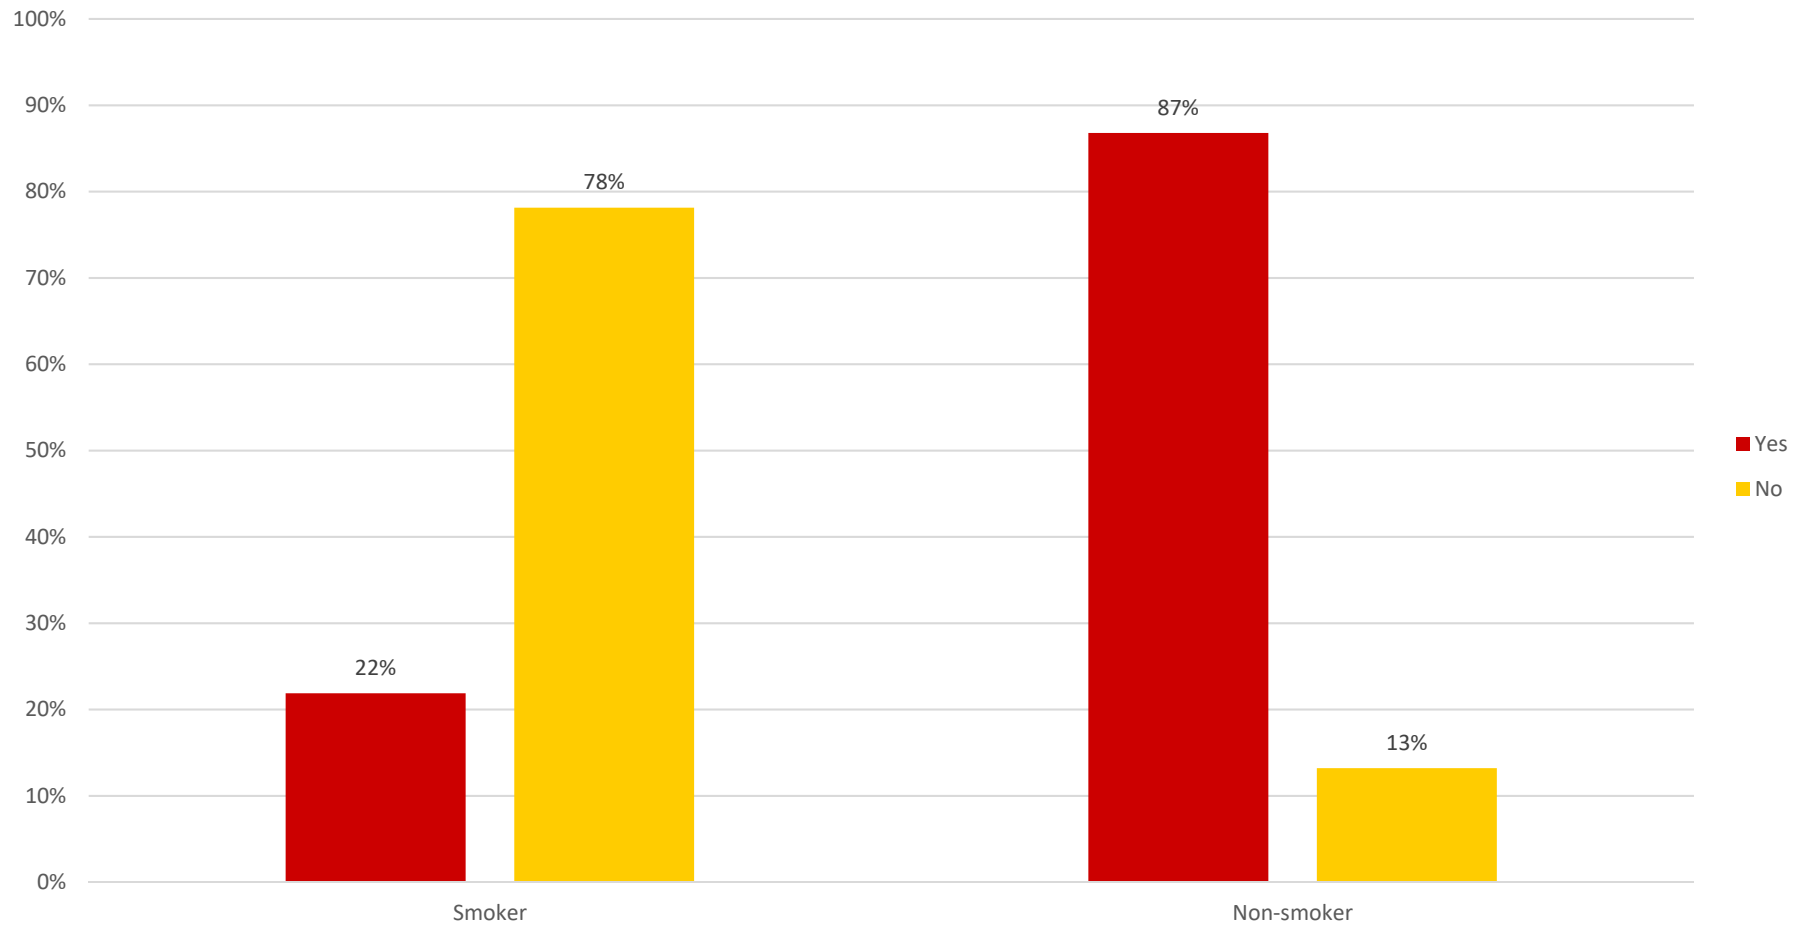

While on campus, have you witnessed a smoker smoking in a non-designated area?

Are you aware that COD has a policy regarding smoking on campus?

Are you in favor of the campus adopting a smoke-free campus policy?

Discussion/Questions?

THANK YOU!
