8 Week Session: June 13 - August 4, 2022

Summer session office hours: By appointment only

What Is Work Experience?

A course that allows students to apply their education to the real world. Students create and accomplish three measurable learning objectives that are new and/or expanded responsibilities at their workplace. This ultimately empowers students to become better employees, work on new projects, add to their resume, and enhance their job skills. All students who currently work, volunteer, intern, or that have a student worker or federal work-study position are eligible. Units earned are transferrable to the CSU system and the class fits easily into the student's work and school schedule. Students may enroll in General Work Experience or an Occupation course.

General Work Experience (WEG-095A)

Students may enroll in **General Work Experience (WEG – 095A)** if the student's current position **does not** relate to their occupational/educational goal. Students can earn **1 - 5 summer session units** of General Work Experience (if hour requirement is met, see below). All General sections will be listed under Work Experience.

Occupational Work Experience (XXX-095A)

Students may enroll in an Occupational course if their current position **does** relate to their educational/occupational goal. Occupational courses vary depending on students major and are listed under the corresponding academic program as (XXX – 095A), i.e. CIS-095A, BUMA-095A, FIRE-095A, etc. Students may earn **1-5 summer session units** in any occupational work experience course (if hour requirement is met, see below).

Registration Details

1. Student must have a job, internship, volunteer, student worker, or federal work study position to enroll.
2. Determine the number of units to enroll in (based on the hours you work, see chart below).
3. Determine which course you will be enrolling in: General or an Occupational course (see description above). If you need further assistance, contact the Work Experience Office before enrolling.
4. Enroll via Self Service:
 - **Note:** Self Service defaults to one (1) unit, if you are enrolling in more than one unit, you must **manually** change the number of units using the guide below.
5. Check CANVAS by the first day of class to complete required forms and get started on the course.

Additional occupational courses may be available if not listed on Self Service. Call the Work Experience office for details. Last day to request a section is June 15th.

Student Education Plans (SEP)

Did you know that the Student Success Act of 2012 (SB 1456) requires students with 15 degree applicable units or three semesters of attendance (whichever comes first), to have an SEP in order to receive priority registration.

In compliance with this law, students that meet those conditions and do not have an SEP will have to register much later than other students during Open Enrollment.

If you need more information about the SEP process, contact the Counseling Center at 760 773-2521.

COD is a Smoke Free Campus

College of the Desert and all of its campuses are smoke-and tobacco-free. At the request of the Associated Students of College of the Desert, the College's Board of Trustees adopted Policy 3570 on July 19, 2018, which bans smoking, vaping and all tobacco products.

This policy applies to all students, faculty and staff and includes all activities occurring on the College's campuses, including the weekend Street Fair.

Anyone who needs help quitting tobacco can call 1-(800) NO-BUTTS, visit www.NoButts.org, or go to Student Health Services to obtain smoking cessation information.

Whether you are a smoker or a non-smoker, College of the Desert knows that the campus community will demonstrate thoughtfulness, consideration and cooperation as we work together to successfully implement this new policy.

Student Education Plans (SEP)

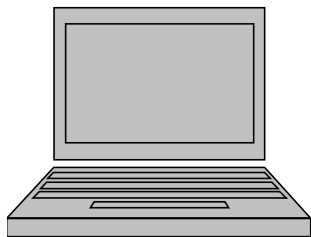

Did you know that the Student Success Act of 2012 (SB 1456) requires students with 15 degree applicable units or three semesters of attendance (whichever comes first), to have an SEP in order to receive priority registration.

In compliance with this law, students that meet those conditions and do not have an SEP will have to register much later than other students during Open Enrollment.

If you need more information about the SEP process, contact the Counseling Center at (760) 773-2521.

Summer classes are being held in person, synchronously via Canvas, or asynchronously. Synchronous meetings occur at the same time and day as designated in this class schedule. Be sure to check the start and end date, and drop deadlines that apply to each class you select.

Students not attending the first class meeting may be replaced by other students.
